Solar, Electric and Diesel Drives

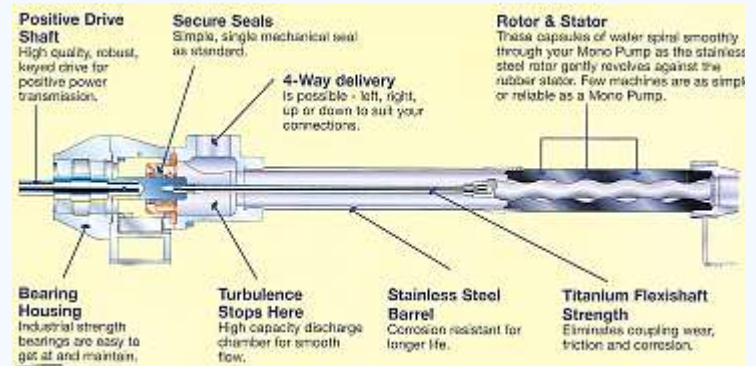

Valley Pumps Sell and service the complete range of MONO and GRUNDFOS solar systems, we can design a system to suit whatever your requirements are. High head and whole farm watering is easily achievable. Solar powered water pumping systems have been developed by Mono Pumps to pump water from boreholes, wells, lakes or rivers where electric or diesel power is unavailable or unreliable. Reliability is the corner stone of a Mono Pumps Solar system as they are designed to operate without any human interference in the remotest parts of the world. A Mono Solar Pumping system can run for years without maintenance.

Yanmar/Mono Pump Diesel combinations built to suit your requirements

All Poly Tanks Australian Standard certified. Prices have never been better on Poly Rainwater Tanks.
Pump and Tank Deals available on all sizes.

Why Tankmasta?

When your looking at water tanks, dont be fooled into buying the cheapest tank on the market, not all water tanks are equal. Tankmasta's water tank range are Australian designed and manufactured from the highest quality UV stabilised and food grade polyethylene.

Lower pressure drops, easy to use, versatile and robust. The VARIO RANGE of Ocimis hardhose irrigators is the latest advance by Ocimis and are **ONLY** available through **Valley Pumps And Irrigation**. Valley Pumps And Irrigation continue to Partner with Ocimis Irrigazione in Italy to bring Australia the Best!

Why should I buy a Nylex tank?

With a wide range of tanks, starting with the compact Nylex 330 litre RainSaver all the way up to the massive 45,400 litre tank*, Nylex offers a choice of sizes and contemporary colours to suit your needs, whether it be for a backyard, a farm, a factory, or a sports ground.

- Designed and built in Australia for tough Australian conditions and certified to AS/NZS4766:2006 and 1309001:2008
- Manufactured using chemically inert, virgin, food grade polyethylene ensuring water quality for the lifetime of the tank
- UV stabilised and will not rot, rust or corrode
- Made from a single, seam-free mould with no joins or other potential leakage points
- Supplied with a 10 year warranty
- Fitted with a standard overflow, strainer and brass outlet for easy connection
